

As If Picked From The Heavens... Nectar Skin Bar Has Its Private Grand Opening!

In addition to Nectar's incredible bounty of high-end products, the skin spa offers a breathtaking spa service menu, providing internationally-inspired services such as...[Intra](#)ceuticals Oxygen Infusion facials.

All of these services are housed in Nectar's converted row house space that has been decorated by interior designer William McGovern of McGovern Design. Crystal chandeliers light up the staircases, spa rooms and even bathrooms for an elegant, warm touch...

Nectar Skin Bar taps into a unique market that targets the human body's biggest and most visible organ: our skin. Its heavenly services are not to be missed!
