

Spa Slut: St Regis Deer Valley Remede Spa

Since I was in sky-high (7,000 – 9,000 feet) altitude, I opted for the 90-minute Deer Valley Regenerating Facial, featuring my favorite oxygen line in the world, [IntraCeuticals](#). I love a good oxygen facial, but most facials use a standard machine that just give you a spray, whereas [IntraCeuticals](#) facials use pressurized oxygen infused with targeted serums to plump and give you a ridiculous glow (see left pic of me with my adorable friend Molly after my facial. I'm the brunette).

- Oxygen machine with [Atoxylene infusion](#) (described by Christianna as No-tox Botox)
- Oxygen machine with Rejuvenation serum infusion
- Application of [IntraCeuticals Hydration Gel and Eye Contour Gel](#)
- The service ended with an oxygen inhalation, while Christianna massaged lotion into my hands and feet

I'm telling you, if this was a 2 hour treatment, the Mauna Lani "Fire and Ice" would have serious competition. For now, the SRDVRS's 90 minute Rejuvenation Facial easily takes the #2 spot as my favorite spa service in the universe. My only regret? Not dragging my husband to experience the ultra-deluxe couples suites which include fireplaces, soaking tubs, and heated al fresco patios. There's always next year...
